CABINETS

Call us today for a Cabinet Refinishing and/or Refacing quote! Delivery and install available in select areas.

A \$25 trip fee will be applied if the unit is not ready for us on requested date and time. Surface Restoration can repair damaged surfaces - I.E. rust, cracks, chips and holes - however, extent of damage could be subject to additional cost. All pricing listed above reflects standard sizing. A countertop stripping price of \$50 is set on a case by case basis. This brochure is intended as a sample of Surface Restoration's services. Finished products may vary slightly in shade.

Don't Replace. Refinish and Reface.

Surface Restoration is your cost effective solution to updating tubs, showers, tile surrounds, cabinets, sinks, countertops and appliances. We can bring your stained, scratched, dated kitchens and bathrooms back to life at a fraction of the time and cost of replacement.

Countertops, cabinets and more

COUNTERTOPS

Say goodbye to stains, burns, chips and outdated colors as you wow your residents with fresh, clean, updated counter tops! Choose from one of our colors or create your own.

CABINETS

In addition to countertops, we also provide complete cabinet refinishing, giving your kitchen or bathroom a brand new look and feel without the cost of replacing.

BATHTUBS AND SHOWERS

Surface Restoration can beautifully refinish and repair stained, chipped, or outdated bathtubs, sinks and tile, changing the look of your bathroom overnight!

ABOUT US

We are committed to providing quality service and top-notch products while using the newest and most effective refinishing systems on the market for durability, color retention and adhesion.

- Members of the Apartment Association
- 48 Hour Service *in most cases*
- Vendor Approved for Compliance Depot, RMIS and many more!
- \$2,000,000 Liability Policy-Bonded and Insured with Workman's Compensation

EPA CERTIFIED

We use high quality and low odor products, designed for the Resurfacing Industry. Technicians utilize a 1,100 CFM Evacuation System to help reduce odor. Primer and Adhesion Promoter is applied on all tubs and showers with an ISO-free topcoat that is non-yellowing.
